

Call for Nominations

For details on each award, including a list of requirements for award nominees, and in some cases, a downloadable nomination form, please go to the ECS website (www.electrochem.org) and click on the "Awards" link. This will take you to a general page that will then lead to the individual awards. The awards are grouped in one of four categories: Society Awards, ECS Division Awards, Student Awards, and ECS Section Awards. Click on one of these sub-links to find the individual award.

Award nomination materials should be sent to: (Award Name), c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org.
Electronic submission of nomination packets is preferred.

If you have questions, you may contact the ECS headquarters office by using the contact information on the awards Web page. For student awards, please see the Student News Section in this issue.

Visit www.electrochem.org and click on the "Awards" link.

ECS Awards

The **ALLEN J. BARD AWARD IN ELECTROCHEMICAL SCIENCE** was established in 2013 to recognize distinguished contributions to electrochemical science. The award is named in honor of Allen J. Bard, in recognition of his outstanding advancements in electrochemical science. The award consists of a wall

plaque, life membership in the Society, complimentary meeting registration at the meeting to accept the award, and prize of \$7,500. The first Bard award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations and supporting documents should be sent to Bard Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by April 15, 2014.**

The **GORDON E. MOORE MEDAL FOR OUTSTANDING ACHIEVEMENT IN SOLID STATE SCIENCE AND TECHNOLOGY** was originally established in 1971 (as the Solid State Science and Technology Award) for distinguished contributions to the field of solid state science. The award consists of a silver medal, a wall plaque, life membership in the Society, complimentary meeting

registration at the meeting to accept the award, and prize of \$7,500. The next award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations and supporting documents should be sent to Moore Medal, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by April 15, 2014.**

The **OLIN PALLADIUM AWARD** (in Basic Electrochemistry and Corrosion Science) was established in 1950 for distinguished contributions to the field of electrochemical or corrosion science. The award consists of a palladium medal, a plaque, life membership in the Society, complimentary meeting registration at the meeting to accept the award, and a monetary prize of \$7,500. The

next award will be presented at the ECS fall meeting in Phoenix, Arizona, October 11-16, 2015.

Nominations and supporting documents should be sent to Palladium Medal, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by October 1, 2014.**

The **CARL WAGNER MEMORIAL AWARD** was established in 1980 to recognize mid-career achievement and excellence in research areas of interest of the Society, and significant contributions in the teaching or guidance of students or colleagues in education, industry, or government. The award consists of an ECS Life membership, a certificate, a silver medal, and travel

assistance to the meeting of the award presentation (up to \$1,000). The next award will be presented at the ECS fall meeting in Phoenix, Arizona, October 11-16, 2015.

Nominations and supporting documents should be sent to Wagner Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by October 1, 2014.**

Division Awards

The **THOMAS D. CALLINAN AWARD OF THE DIELECTRIC SCIENCE AND TECHNOLOGY DIVISION** was established to promote interest and activity in the field of dielectric science and technology among the engineers and scientists. The award carries a citation scroll and a prize money of \$1,500. The next award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations along with two letters of recommendation should be sent to Callinan Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by August 1, 2014.**

The **ELECTRODEPOSITION DIVISION RESEARCH AWARD** was established in 1979 to recognize recent outstanding achievement or contribution in the field of electrodeposition. The award consists of a scroll and a prize of \$2,000. The next award will be presented at the ECS fall meeting in Cancun, Mexico, October 5-10, 2014.

Nominations and supporting documents should be sent to Electrodeposition Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by April 1, 2014.**

The **ELECTRONICS AND PHOTONICS DIVISION AWARD** was established in 1968 to encourage excellence in electronics research and outstanding technical contribution to the field of electronics science. The award consist of a scroll, a prize of \$1,500, and expenses up to \$1,000 or payment of Life Membership in the Society. The next award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations and supporting documents should be sent to Electronics & Photonics Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by August 1, 2014.**

The **RESEARCH AWARD OF THE ENERGY AND TECHNOLOGY DIVISION** was established in 1992 to encourage excellence in energy related research. The award consists of a scroll, a prize of \$1,500, and membership in the Energy Technology Division as long as a member of ECS. The next award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations and supporting documents should be sent to Energy Technology Research Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by September 1, 2014.**

The **SUPRAMANIAM SRINIVASAN YOUNG INVESTIGATOR AWARD OF THE ENERGY TECHNOLOGY DIVISION** was established in 2011 to recognize and reward an outstanding young researcher in the field of energy technology. Such early recognition of highly qualified scientists is intended to encourage especially promising researchers to remain active in the field. The award is named after the cofounder of the Energy Technology Division, Supramaniam Srinivasan. The award shall consist of a scroll, a prize of \$1,000, and free meeting registration costs to help the recipient attend the ECS meeting at which the presentation is made. The next award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations and supporting documents should be sent to Energy Technology Srinivasan Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by September 1, 2014.**

The **RICHARD SMALLEY RESEARCH AWARD OF THE NANOCARBONS DIVISION** was established in 2006 to recognize outstanding contributions to the understanding and applications of fullerenes in a broad sense. The award consists of a scroll, a prize of \$1,000, and travel assistance up to \$1,500. The next award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations and supporting documents should be sent to Nanocarbons Smalley Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by September 1, 2014.**

The **NEW ELECTROCHEMICAL TECHNOLOGY (NET) AWARD OF THE INDUSTRIAL ELECTROCHEMISTRY AND ELECTROCHEMICAL ENGINEERING DIVISION** was established in 1998 to recognize significant advances in industrial electrochemistry. The award recognizes collaborative, multi-disciplinary, inter-functional efforts to commercialize new electrochemical technology within the past 10 years and consists of a commemorative plaque with appropriate inscription presented to the sponsoring organization and commemorative scrolls presented to up to six key contributors as well, as identified by the sponsoring organization. The next award will be presented at the ECS spring meeting in Chicago, Illinois, May 24-28, 2015.

Nominations and supporting documents should be sent to IEEE N.E.T. Award, c/o The Electrochemical Society, 65 S. Main Street, Building D, Pennington, NJ 08534; Phone: 1.609.737.1902; e-mail: awards@electrochem.org. Electronic submission of nomination packets is preferred. **Materials are due by May 1, 2014.**

Travel Grants

Many of the Society's Divisions offer travel assistance to students and young professionals presenting papers at ECS meetings. For details about travel grants for the 226th ECS meeting in Cancun, Mexico, please see the Cancun Call for Papers; or visit the ECS website: www.electrochem.org/student/travelgrants.htm. Please be sure to click on the link for the appropriate Division as each Division requires different materials for travel grant approval prior to completing the online application. You must submit your abstract and have your abstract confirmation number in order to apply for a travel grant. Apply for travel grants using the online submission system (links found on the travel grant web page). If you have any questions, please email travelgrant@electrochem.org. **The deadline for submission for fall 2014 travel grants is July 1, 2014.**
