

2012

PRIME™

PACIFIC RIM MEETING ON ELECTROCHEMICAL AND SOLID-STATE SCIENCE

Joint International Meeting

222nd ECS Meeting

2012 Fall Meeting of
The Electrochemical Society of Japan

and with the technical co-sponsoring of the Japan Society
of Applied Physics, the Korean Electrochemical Society, the
Electrochemistry Division of the Royal Australian Chemical Institute,
and the Chinese Society of Electrochemistry.

Honolulu • Hawaii

October 7-12, 2012

Hilton Hawaiian Village Hotel and Hawaii Convention Center

General Topics

- ◆ Batteries, Fuel Cells, and Energy Conversion
- ◆ Biomedical Applications and Organic Electrochemistry
- ◆ Corrosion, Passivation, and Anodic Films
- ◆ Dielectric and Semiconductor Materials, Devices, and Processing
- ◆ Electrochemical / Chemical Deposition and Etching
- ◆ Electrochemical Synthesis and Engineering
- ◆ Fullerenes, Nanotubes, and Carbon Nanostructures
- ◆ Physical and Analytical Electrochemistry
- ◆ Sensors and Displays: Principles, Materials, Processing
- ◆ Electrochemical Energy Summit: Grand Challenges for Energy Conversion and Large Scale Energy Storage, and other issues

Deadlines

Registration

Deadline for early-bird meeting registration is September 7, 2012.

Hotel

Discounted meeting rates are available at the meeting headquarters, the Hilton Hawaiian Village. Please see the ECS website for more information and to make your reservation. **Special meeting rates are available until September 7, 2012** or until the block sells out, so be sure to reserve your room now!

Short Courses

The following Short Courses are planned: Operation and Exploitation of Electrochemical Capacitor Technology; Solar Cell Device Physics; Polymer Electrolyte Fuel Cells; Electrodeposition: Fundamentals and Applications to Energy Conversion Systems; Micro/Nanofabrication of Chemical and Biosensors; Scientific Writing for Scientists and Engineers; Grid Scale Energy Storage; and Advance Impedance Spectroscopy. Please check the ECS website for the final list of offerings.

ECS Transactions

Full papers presented at PRIME will be published in *ECS Transactions*. Visit the ECS website for more details.

Visit the ECS website for meeting details. www.electrochem.org
