

Information for Oral and Poster Presenters

Oral Presentations

Oral presentations must be in English. **Laptop computers and LCD projectors will be available in each symposium room for oral presentations. Authors are required to bring their presentation on a USB flashdrive only.** Speakers requiring special equipment must make written request to ECS headquarters (meetings@electrochem.org) no later than three weeks before the meeting, and appropriate arrangements will be made at the expense of the author.

Poster Presentations

Poster presentations must be in English, **on a board approximately 3 feet 10 inches high by 3 feet 10 inches wide (1.17 meters high by 1.17 meters wide)**, and correspond to the abstract number and day of presentation as detailed in the final program. Plan your display to fit on one upright panel as per the above dimensions. Present displayed information from left to right, starting at the top left of the panel. The paper title, number, names, and affiliations of all authors **MUST** be at the top of the display. The recommended print size for the title is approximately 1" to 2" (2.5 cm to 5 cm) high.

Authors should minimize written text but use it when necessary to emphasize essential data and/or to stimulate discussion. All illustrations, drawings, charts, pictures, graphs, figures, and written text should be large enough to allow easy reading from a distance of 5' (1.5 m). Matted and finished photographs are recommended to enhance visibility. Commercial advertisements or publicity will **NOT** be permitted in poster presentations. Authors violating this regulation will be asked to remove their presentations immediately.

You may mount your poster only on your assigned day from 09:00h to 16:00h. Please remove your poster promptly at the end of the poster session. Unclaimed posters will be discarded. Please do not begin setting up your poster until all the poster boards have been numbered. Pushpins and/or thumbtacks will be supplied.

Authors are responsible for setting up their displays, for being present during the entire scheduled poster session, and for removing their displays at the conclusion of the poster session. No posters will be displayed without author participation. **NO EXCEPTIONS WILL BE GRANTED.** Authors are responsible for the security of their displays and all items of value. ECS will not assume any responsibility for lost, stolen, or broken articles. Additional information or special requirements should be addressed to the individual symposium organizers prior to the meeting.
